There were no giants in WWII. If you are exceptionally tall or wide, there is no battledress of any kind to fit you except reproductions. Even if you are a normal WWII size, real British BD is difficult to come by. However, WPG stocks a number of reproductions for those who cannot find the original. The UK P-37 Battledress Trousers are a great option for those who want the look and feel of a real WWII BD without the need for custom tailoring.
