Almost. The elastic part is slightly less heavy-duty, but it's perfectly good enough. The good bit is that they are otherwise almost indistinguishable from genuine - but nice and long. Very pleased.

It is probably better than I expected. As far as I know the tan color is not right. I would rather see brown. I did darken it with oil. Also like to see WWII dates to match the black hardware.

  Very well pleased.
  I purchased these for my AEF impression in size 1; which fit my 17" calves very well. The appearance and construction of these leggings are also very authentic to the period. I would recommend these to others.
