The Button Holes cost the fifth star
This shirt, I have five, would garner five stars except for the button holes, most have to be opened with a razor to easily pass the button. Other than that, the shorts serve me well as the Living History volunteer.

A bit of tailoring and it'll be perfect. It's worth getting a size up as these are quite tightly-cut, so I got a 48 long. I'm about 5'11, so the long size is just right except in the arms. The belt will also require removing, as real Army tunics should not have it.

Good but old run was better
They improved the dome, elastic and padding over the old run but the leather color/finish and snaps are a HUGE step BACKWARDS. The snaps they are using now are awful. I wish I could still get the old version.
