### US M1910 T-handle Shovels

100772000

These are very sturdy and well made, using the original manufacturing techniques. These shovels actually weigh a bit more than originals. Marked US on the handle and on the blade tang.

Some quality issues surrounding the shovel head metal. Mine looked like it had been worked very roughly. However, having said that it doesn't in any way detract from the piece and shipping was super.

#### US Officer Sam Browne Belt

Officers whipcord breeches.

This is my second pair, the first one is not pretty worn through after two years of good use. This seems to be an improved run in many regards. Picking a size up from my normal size gives me a better fit higher on.
